City League Challengers Get Off on Right Track

BY HAL SCHRAM

Northwestern High, the defending City League track champion, will wait another week before launching its 1962 season, but the Colts got full warning Thursday that victories will not come easy.

Chadsey, Northwestern's foe next week, may have its finest team in years.

Coach Irv Petross didn't get a victory from his Explorers on opening day Thursday but watched his club carry favored Redford into the mile relay, final event of the day, before bowing, 58½-50½.

CHADSEY GOT an outstanding effort from Croy Bouyer. A triple winner, Bouyer fashioned a .51.7 quarter mile, excellent for this early in the season.

Bouyer also won the high jump and broad jump, and Matt Jackson won both dashes for Chadsey.

Cody, seeking to regain its championship form of five years ago, defeated Cooley, 71½-37½. The Comets grabbed 11 firsts and got a 4:37 mile from Tony Mifsud.

Cody coach Bob McCullough was pleased with the 10.5 100-yard dash turned in by junior John Bennett, who was facing a stiff wind.

John Schultz won the broad jump, high and low hurdles.

EASTERN HAD three double winners in Elwood Spencer, Everett King and John Rowser as it conquered Denby on the Tara track, 27½-21½.

And then there's Southeastern, certain to become the most improved team in the league.

The Jungaleers, who hadn't won a track meet in two years, bounced Northeastern, 57½-31½.

Bob Kemp accounted for 13½ points for Southeastern with a victory in the high hurdles, a tie for first in the pole vault and a second in the low hurdles. He also ran a fast leg on Southeastern's winning mile relay team.
