YPSILANTI—New standards in the 440-yard dash and the 220-yard dash were entered into the Huron League track record book today in the wake of last night's Huron League Championships at Briggs Field.

Lincoln High's Sidney Wright sped around the oval in 51.9 seconds in the 440 to lop a full second off the previous record, :52.9, set by Airport's Ray Kahlbaum last year.

Sprinter Tom Farley paced Grosse Ile to the league championship by winning the 220 in the record-setting time of :22.3. Farley also won the 100-yard dash. Best previous mark in the 220 was :22.5, set by Ypsilanti Roosevelt's Bill McKenzie in 1958.

In determining the final standings in the loop, dual-

meet victories were worth one point each while from one to eight points were awarded according to team placings in last night's league meet.

Other point-getters for Lincoln, in addition to Wright, were John Barlage (second in the mile), Dennis Valentine (thirds in the broad jump and 220), Herman Wright (third in the high jump), Ron Adiska (tied for fifth in the high jump), and Eugene Hall and Herman Stopke (tied for fifth in the pole vault). Lincoln's 880-yard relay team of Herman Wright, Bob Young, Bruce Merritt, and Valentine finished second.

Milan scored 9 1/4 points on Milt Adams' second in the 100 and fourth in the low hurdles, Jim Burger's fourth in the 880, Milt Adams' tie for fifth in the pole vault, and Milan's fifth in the mile relay with Earl Taylor, Burger, Bill Gruden, and Roger Schroen. Summary of winners:
