Mumford Looking Higher

East Side Champs Eye City Title

Mumford High pinned its title Thursday on regaining the City League track title it last held in 1959.

Many among the 800 spectators at Pershing High left with the feeling that the Mustangs will reach that goal next week in the finals at Redford.

Even without the pole vault being completed—a late afternoon storm forced a one-day postponement of the event—Mumford rolled up an awesome 11½ points in ridding down its fourth straight East Side title.

Mumford High pinned its title Thursday on regaining the City League track title it last held in 1959.

Many among the 800 spectators at Pershing High left with the feeling that the Mustangs will reach that goal next week in the finals at Redford.

Even without the pole vault being completed—a late afternoon storm forced a one-day postponement of the event—Mumford rolled up an awesome 11½ points in ridding down its fourth straight East Side title.

SECOND-PLACE Eastern had some standout performers in Bill Yearby (shotput), John Rowser (broad jump), Everett King (440) and Lou Scott (mile), but the depth and balance belonged to Mumford.

Mumford finished 1-5-3 in the 880, as Theodius McBurney was followed in the laps by teammates Don Sims and Dick Smith.

That performance alone accounted for 24 points, more than the team totals of such rivals as Southeastern, Osborn, Northwestern, Dewey and Cass Tech.

Northwestern and Redford are favored to fight it out for the West Side title Friday at Redford, starting at 2 p.m.
