

MUMFORD TRACKMEN LEAD

Mustangs Have Kick

Title-seeking Mumford paced qualifying semifinals Tuesday on the way to the City League track championship finals.

The Mustangs grabbed seven individual places and took the fastest times in both relays in leading the drive for Thursday's finals at Redford.

CODY WAS pext with six places, and Redford, Eastern and Chadsey filled five apiece over a Redford Track that was slowed by afternoon rains.

One individual winner was produced in the Tuesday action, where distances in the shot put and broad jump carry into the finals.

Eastern's **Bill Yearby** shoved the shot 56 feet, out-

distancing his nearest rival by 7½ feet.

The finalists get more tries Thursday, but it isn't likely that anybody will better Yearby's effort.
