## STAR TURNS IN 4:16.8

# Prep Mile Record Faces Big Assault

Art Link, the 135-pound Redford High miler, loomed as a serious threat to Lou Scott's year-old state mile record of 4:13.2.

Link turned in the third fastest mile in Michigan history Wednesday when he reeled off a 4:16.8 effort over a soft track at Redford.

Only Scott, now at Arizona State, and Dick Sharkey, a former Redford High miler, have been clocked in faster time.

Link turned in a fine one-minute flat first quarter but slipped to 66.5 and 68 seconds on his middle two quarters. He finished in 62.3 to complete his mile.

Dave McKelvey ran a 1:57.4 half mile as Link and McKelvey led Redford to a 58-50 victory over Chadsey.
