

WINS RELAY FEATURE

One Final Trophy For Old St. Joseph

BY HAL SCHRAM

St. Joseph is living in its final month as a high school and Sunday the Blue Jays fielded a middle distance foursome which captured the feature event of the second and final St. Joseph Relays at Redford High.

The old school at Jay and Gratiot will be abandoned forever in June and its students will be scattered to other seats of education.

BUT IN SUNDAY'S bright sunlight Tom Jackowski, Bill Cosnowski and the Fradette twins, Mike and John, turned in a 10:57.2 clocking in the 2½-mile test to win for their school and coach Brother James.

The great balance and strength in the league this season is found at Catholic Central and DeLaSalle.

With LaSalle in Cleveland for an invitational, Catholic Central won seven of 12 firsts, scored in every event, and piled up 106 points to 72 for Brother Rice and 70 for U-D High.

Frank Haggerty was one of Catholic Central's busiest athletes.

He participated on four relays, the shuttle hurdle, broad jump, 880-yard and sprint medley events.

The team scores:

HOW THEY FINISHED			
Cath. Central	106	St. Joseph	14
Brother Rice	72	Cathedral	14
U-D High	70	Servite	2
Austin	44	Salesian	2
Notre Dame	24		

jump, high jump and low hurdles in leading Sacred Heart of Dearborn to an 86-23 victory over St. Francis Cabrini.

Seaholm Wins Again
Special to the Free Press

MONROE — The superlatives and the individual attention in the eighth annual Dick Walters' Relays here went to Bob Richards but the team power and balance belonged to Birmingham Seaholm.

Richards, the talented senior miler from Bloomfield Hills High, turned in a brilliant 4:19.4 record mile over a gooeey, rain-soaked track, but Seaholm won three events and turned back bids from Roseville and Ypsilanti to win the team championship.

Seaholm scored 53 points

and won the distance medley, two-mile relay and 440-yard relay in gaining its second major relays' title in eight days.

The Maples won last week at Central Michigan.

For three quarters of a mile Jack Lacey of Ecorse matched Richards almost stride for stride but the pace proved too much for Lacey and Jim Olson of Seaholm came from behind to finish second.

Leading team scores:

HOW THEY FINISHED			
Seaholm	53	Ecorse	12
Roseville	43	Wyandotte	10
Ypsilanti	39	Dearborn	9
Toledo Scott	17	Garden City	8
Thurston	14	Adrian	8
Groves	14	Penit. Northern	8

Sailors Yield To High Winds

High winds that forced postponement of Saturday's races in the Midwestern Collegiate sailing championships kept the collegians off the water again Sunday after three races.

With none of the races counting, they will try again next Saturday and Sunday at Ohio State, in Columbus.

Every man

It's as simple as that . . . has theme. The doctrine that has colored WOODMERE is Michigan's oldest, since 1926.

It's the rule we live by, day in and day out. "EVERY MAN LOVES A BARGAIN" 52 weeks every year. Three way
