

# Swartz Creek Girls Triumph

Bentley's Nancy Cochrane accounted for 19 points in a five-team girls' track meet at Davison Tuesday, but Swartz Creek outpointed Bentley 53-46 for victory.

The fourth annual meet was the first of two tuneups for the County B and Big Nine Conference track meets to be run concurrently at Bendle May 23.

Bentley will host a six-team meet Friday at 4 p.m. Schools entered in the event sponsored by the Genesee Women Coaches Association are Lakeville, Kearsley, Davison, Atherton, Bendle and Bentley.

Bentley copped six individual firsts and a pair of relays in its bid to stop Swartz Creek, which won last year's meet at Swartz Creek. Swartz Creek finished either first or second in six events and won two relays.

Ainsworth was third with 31½, followed by Flushing with 24½ and Grand Blanc with 21.
