Tecumseh 11. No other team hit double figures.
Atherton's Cliff Kittle established a school record and finished third in the shot put with a toss of 53-feet 5½-inches. His previous best was 52-11 early this year. Kittle got Atherton's only five points.

Vassar's Rob Johnson won the shot put with a record 57-5, bettering the state mark of 55-81/2 by Battle Creek Pennfield's Gary Rugg in 1962.

Bentley's Jim Moore earned his team's four points with a fourth place showing in the 440.

RIVER ROUGE established records in the relays. The team of Clarence Sabbath, Betts, John Sykes and Boice Bowman turned: 1:30.3. The old record was 1:31 in 1956 by Inkster. Betts and Sykes were joined on the mile team by Ron Lane and Eric Peterson for a 3:26.3 showing. This topped the old mark of 3:28.2 by East Grand Rapids last year.

River Rouge's relay times Sat-urday were better than the Class A winning times at Ann Arbor.

Bowman equaled the record time of 9.9 in the 100 and fell one-tenth of a second short of the 220 mark with a 21.9.

Pole vaulters Ernest VarHage of Hudsonville Unity Christian and Dowagiac's Willie Webster gave the crowd a thrill as they sharead first and the record at 13-514. The old mark was 12-8 by Troy's Wendell Johnson in 1550 1959.

BETTS, WHO WAS expected to win both hurdles midway through the season, didn't qualify in last week's regional in Detroit. Betts pulled a leg muscle in the Central Michigan Relays May 1 and after qualifying in the regional prelims couldn't run in the finals.

Mt. Morris withdrew its 880 relay team when Jim Wood pulled up lame in the 100 and 220 and Graham wanted to concentrate on the hurdles. BETTS WHO WAS expected

St. Michael's \$30 and mile relay teams failed to score. The Mikes were also hurting because Mike Spurling was unavailable after being spiked in the Parochial League meet.
