

Changes Few In Area Honor Roll

With the exception of Port Huron High's Big Reds, Blue Water Area track men have hung up their spikes for another season and in the final week there were very few changes in the leaders on the area honor roll.

Port Huron High's thincleds will compete in the Eastern Michigan League meet June at Hazel Park.

Vassar's Rob Johnson, who set a new state Class B record with his 57 feet, 5 inch leap of the 12-pound shot in the state finals, upped his Blue Water Area mark for the third time.

His was one of four records established this season by area athletes.

Dale Sage, Reese, set a new area standard for the 880-yard run early in the season with a 1:58.7 clocking and his winning time of 2:00.4 in the Class C final at Central Michigan is a new state record.

In the high jump, Cass City's Walt Hempton leaped 6-feet-3 the first week of the season to shatter the area record. The fourth Blue Water Area mark to fall was in pole vault, Vassar's Mike May clearing 12-feet-1 to erase Gunter Teraud's four-year-old standard of 12-feet-0.

Only one new leader shows up on this week's list. New Haven's 880-yard relay team passing a 1:34.0 clocking in the state meet.

Other than Johnson, Dwight Lee of New Haven was the only leader to improve his top performance. Lee, who took the state Class C broad jump, upped his mark from 21-feet-0 to 22 feet-3 1/2.

The final leaders:

880-YARD RELAY		SHOT PUT	
New Haven	1:34.0	Rob Johnson, Vassar	12-0-0
