

## *Adrian Thinclads In Amateur Meet*

Several Adrian high runners are competing in U.S. Track and Field Federation sponsored amateur track meets in the area this summer, according to Maple track coach Brad Henson.

In a meet at Birmingham Wednesday, Rick Hunt, who is headed for either Albion or the University of Michigan this fall, placed fourth in the high jump at 6-2. Alonzo Littlejohn, who has gone 6-10, won at a low 6-4.

Dave Harder ran a 51.8 440 but did not place among the top three. Miler Earl Brown, who has not participated in several weeks, was well back in the pack in his speciality.
