Two leagues already have started—Tuesday morning and evening—and openings remain for other groups interested in forming either archery or billiards leagues.

A SPECIAL ATTRACTION will be offered archers planning to enter tournaments using the Chicago system of shooting. Starting Wednesday night, Sept. 16, archers will be permitted 96 rounds used in the Chicago system instead of the usual 70 rounds offered at most ranges.

Tuesday, the second day of the grand opening, world-renowned bow hunter Fred Bear will show films and talk about his hunting expeditions. Bear recently returned from an African hunting safari with Arthur Godfrey, where he felled an elephant with a bow and arrow.

Wednesday is a money shoot open to all, with top prize $100. Thursday a billiards demonstration will be made by Cornbread Red. Door prizes will be made at week's end.
