

QUITE A COLLECTION—The four members of the Lansing Lightningettes, girls' track team, show off their array of medals won in competition. Left to right, they are Sandy Bremner, Sue Phelps, Joann Sabatino and Gloria Ewing.

Lansing Lightningettes

Four Track Girls Amass Medals

By MIKE BAIRD
Journal Teen Writer
Four Lansing area girls are out to prove that boys aren't the only speedsters in track, that is. Calling themselves the Lansing Lightningettes, they have piled up an enviable array of medals.

The team members are Gloria Ewing, 17; Sue Phelps, 16; Joann Sabatino, 16; and newcomer Sandy Bremner, 17. Sue has been running for two years, the rest have been running only this year.

The team is one of six in Michigan and participates in meets sponsored by the Federation of Amateur Athletic Unions. The girls ran in an Olympic Development meet earlier this summer.

Gloria took fifth place at the Central States Women's Championship meet at Cleveland.

The girls proudly boast a total of about 20 medals, cups, and ribbons which they have acquired in the short time they have been running.

Mrs. Vonda Gerow, coach of

the team, says they practice every Tuesday evening at Waverly High School.

All of the girls say they hope to participate in the 1968 Olympics.
