**THIRD ANNUAL
STATE JOURNAL**

APRIL 1-2

SPARTAN RELAYS
JENISON FIELDHOUSE

Welcome to the third annual Lansing State Journal-Spartan High School Relays.

The State Journal and Michigan State University have been pioneers in the development of Michigan interscholastic track so it's only fitting that they sponsor this meet, the largest high school meet of its kind in the nation.

For some of the athletes here this weekend, this will be the start of a long and happy affiliation with track ...and may this meet inspire them to greater accomplishments in the future. Good luck!
