

# River Rouge Wins; Albion 4th in Class B

ANN ARBOR (AP) — River Rouge dominated the entire afternoon and captured the Michigan Class B High School track title at the University of Michigan's Ferry Field Saturday.

The Panthers won both relays, had two individual champions and earned 61 points, far more than their nearest competition.

Willow Run placed second with 26 points, two more than Ecorse. Albion and Vassar tied for fourth with 21 points each.

Jim Miller of Sturgis cleared the bar at 6-feet-5 to eclipse the old high jump record of 6-2½ set in 1960 by Jerry Holmes of Ecorse.

East Grand Rapids senior Ron Kutschinski sped to a new half mile mark, winning the event in 1:53.8. His time bettered the old record of 1:56.1 set by Mike Martins of Charlotte in 1962.

Albion's Pat Howard won the

broad jump title with a leap of 21-7¼. Steve Bishop of Vicksburg led most of the way to win the mile run in 4:22.8.

The pole vault sent the meet into overtime when 17 entrants cleared the bar at 12 feet.

The meet, for the first time, was scored through eight places for all events except the relays, in which points were awarded through ten places.
