

### Colts Nip Chadsey in Track Duel

BY HAL SCHRAM

Chadsey High with Maurice Cochran as its gunner, got a City League record Thursday by half an inch.

It was a pity that such a bright start had to finish so dimly.

The Explosives lost a title in the falling sunlight at Henry Ford High by half a point.

**NORTHWESTERN**, a determined challenger all the way, nipped Chadsey 52 1/2-52 for the City League West Side title after Chadsey only two hours previously had broken one of Henry Carr's three records. Carr, an Olympic champion, is a Northwestern graduate.

On his final jump of the day Cochran soared 25 feet 4 1/2 inches at the long jump pit to erase Carr's record by half an inch. It was a full foot further than Cochran had ever jumped before in his life.

"He's our top competitor... He's my football captain and he's a good sprinter," said coach City Patrons.

But when Northwestern nudged in a third place finish and a half a point victory over Chadsey in the mile relay and the title Patrons couldn't be blamed for shaking his head in bewilderment.

"IT'S A TOUGH way to lose. I would have rather lost by 15 points than this way," he told his disheartened squad.

Thelbert Jeffries doubled for Northwestern in the duobus both the 100 and 220. Willie Sawyer won both hurdles for Chadsey. Dennis Smith of Redford turned in a sizzling 1:56.5 half mile for another top effort.

Explosives will be favored to win the East Side title Friday at Parkside High starting at 2 p.m.

Thursday's results:
