

Winners Of Girls Track Meet

St. Joseph Junior High Event Held

Three events were held and participants could enter in any two of the three events. The events were the running high jump; standing broad jump; and 50-yard dash. Some 30 girls participated in their first meet.

Awards were given to the winning contestants in each grade, to the individual having the highest score in each event for all grades, and a grand award to the girl having the highest scores in two events.
