

Francie Kraker Hospitalized

Francie Kraker, who holds the world's record for women's indoor 600 yard dash, has had another barrier thrown in her path as she is training for the 1968 Olympic try outs.

The 21-year-old Ann Arborite is in St. Joseph's Hospital with appendicitis. Earlier this year, she had her training program interrupted by an injury.

Meanwhile, the Michigammas will compete in a meet at River Rouge Saturday.
