

Washington Quits As Tribe Cager

Herb Washington, No. 6 man on Central High's unbeaten basketball team, has handed in his uniform and apparently decided to concentrate on track.

The six-foot senior had scored 15 points and shot at a .359 clip in three games. He was a letterman.

Washington apparently will enter indoor meets at Kalamazoo and Ann Arbor next month in hopes of qualifying for a February meet at New York's Madison Square Garden.
