

Thirteen-year old Sherice Du-Champ of the Wolverine-Parkettes Track Club was named to the AAU Women's All-American Track Team recently. This is the first year such a team has been picked.

Sherice was picked because of her outstanding performance in the State Pentathlon finals las July. (In the pentathlon, the girls compete in five events - it is considered to be the toughest event in track for women.)

As far as we know, Sherice is now the first Lincoln Parker to wn All-American for anything! CoGongratulãtions!
