

Lincoln Park Girls Place in State Meet

Although the Parkettes did not finish in the first 10 teams at the Michigan Indoor Track and Field meet April 1 at Eastern Michigan University, Ypsilanti, members of the squad were prominent in winning third, fourth and fifth places in a number of events.

Jacki Ford took third in the women's 1,500-meter run, and captured fourth in the 880-yard race.

Kathy Moore finished third in the girls' 50-yard hurdles, and fifth in the 440-yard run.

Nancy Olson placed third in the shot put, while Mary Barinoff was third in the high jump.

A fourth-place finish was turned in by Pam Bagian in the 50-yard hurdles, while Lynn Hammerle ran fifth.

In an exhibition, not part of the official meet, Patty Ford ran second in the 440-yard race, and Debbie Lansky placed fourth in the same event.

The team of Lincoln Park girls is coached by Richard Beyst, a teacher at Huff Junior High School.
