RESULTS OF 1967 MANSFIELD RELAYS

Four-mile relay (Friday) — 1, Cleveland St. Joseph (Kim

PUBLICITY

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Al Ward, Mansfield director or Fred Tharp, sports editor, Mansfield News Journal. Millions of inches of newspaper publicity has told the story of the Relays since its inception.

For the fifth time the Mansfield Relays will be run on Malabar High's 'magic' rubber asphalt track. The meet should mark the fifth time the meet record book will get a thorough going-over.

In past years, when the Relays was held on a cinder track, performances were not of real high caliber—which was not surprising since the meet kicks off the outdoor season and athletes supposedly have not reached the peak of their conditioning.

The springy rubber track, however, has changed all that. Records have fallen right and left. Eight were broken in 1964, nine in 1965, six in 1966 and four last year, despite a hurricane-like wind that wiped out possible records in both hurdles and the 100.

So, 27 marks have fallen in four meets at Malabar—certainly a tribute to the speedy track.

One other mark has already been set in the 1968 Relays. The meet is the first that HAS NOT been managed, supervised and babied along by venerable Harry Mehock, who founded the schoolboy extravaganza back in 1927.

Harry's longtime chief aide, Al Ward, has taken over the chores, but Mehock is sure to be around on meet day.

He'll be the fellow taking it easy—at last.

By Bob Dixon
