## SEATING ARRANGEMENTS

### For Coaches and Athletes

Additional bleachers are being set up on north of field for athletes to relieve the congestion in the infield.

There will be an area in the main bleacher section for coaches with access to the field and bleachers. Slag walks will be installed so the mud should be no factor in case of rain.

Also the pole vault pit, in use for the finals, will be at the end of the field to make for better viewing. (Foam rubber will be used in pole vault and high jump pits.)

And there will be a scoreboard for the running score.

**HARRY E. MEHOCK** (left) and **Al Ward** are directing the 1967 edition of the Relays. Mehock is retiring as relays director and Mansfield track coach this spring. Ward, who has been assistant director for eight years, will replace Mehock in both positions.

★

The Mansfield Relays committee is privileged to extend to your school a cordial invitation to compete in the 36th renewal of the Mansfield Relays which will be staged April 14 - 15, 1967. "America's largest independent inter-scholastic classic" will be staged at Malabar High School's new Mehock Field track.

This booklet contains general information concerning the 1967 Mansfield Relays, results of the 1966 meet, all-time records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The Relays committee believes the success of this meet is directly traceable to the fine schools and coaches who have appeared here each year.

The 1966 renewal drew 198 high schools from six states — Ohio, Michigan, Pennsylvania, Indiana, Kentucky, W. Virginia and Canada. Sixty-seven of the schools were from outside Ohio. The field numbered 2,005 athletes.

## ELIGIBILITY AND RULES OF COMPETITION

**Sanction** — The Relays are sanctioned by the National Federation of High School Athletic Associations. Teams from out of state may participate if they are not more than 300 air miles from Mansfield one way.

**Entry Fee** — Fifty cents a boy or \$10.00 a team.

**Deadline for Entries** — April 8, 1967.

**Lodging** — Accommodation for teams coming 135 miles or more will be provided by private families. This includes Free Lodging Friday Night, April 14th and Breakfast Saturday Morning. These accommodations are also provided all four mile relay teams and 2-mile contestants. Please state definitely the number of athletes who will stay overnight. All we ask is a thank you note to your hosts when you return home.

**New Track** — We have a new all weather track composed of asphalt, rubber and sand. The track cost us \$60,000. It has ten 42 inch lanes all around the track. There are also two vaulting, high jump and broad jump areas. The shot put and discus pads have a rough cement surface.

**Only spikes not exceeding one-fourth inch may be worn on the asphalt surfaces. However, if the athlete desires to wear rubber indoor shoes that is his privilege. The athletes' shoes will be closely checked and if the spikes do not meet the requirements, they will not be able to use them.**

Shot putters and discus throwers must wear rubber soled shoes due to the fact that the areas are cement.

**DO NOT BRING STARTING BLOCKS.  
RELAYS WILL FURNISH THEM.**

**Eligibility** — All boys participating in the meet must be certified eligible by their high school principals.

**Heat Leaders** — Please designate heat leaders in their respective events.

**Classification** — There is no classification.

**Points** — Five places will count and the scoring will be as follows — 6-4-3-2-1.

**Lunch** — Lunch will be served in the High School Cafeteria for a nominal sum. Make the number of reservations you want for lunch on your numerical list.

## RELAYS STANDARDS

For years, the Mansfield Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards. This idea was presented to over 100 coaches, representing participating schools. The following standards are a composite of their replies.

Individuals entered by you must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.

## A TRIBUTE TO HARRY

By Bob Dixon

This 36th edition of the Mansfield Relays marks the end of Harry Mehock's official participation with the meet that he founded back in 1927—just about the time the fathers of today's athletes were born.

This is not to infer that Harry will not be on the scene of future Relays—he's too wrapped up in track for that. He will be around watching, but not carrying the heavy burden of responsibility that is required of the meet manager.

No man has been more closely identified with any major sporting event than has Harry with the Relays. For many years he wrestled with the bulk of the thousands of details required to stage the big carnival. In recent years he may have had more help, but it has been his experience and guidance that have enabled the rest of us to do our jobs correctly.

It has been Harry's meet, right down to the last baton and shovelful of sawdust. It was fortunate that he persisted with it until he could see it staged on the magnificent 10-lane rubber-asphalt track at Mehock Field.

We know we are joined by dozens of veteran coaches and thousands of athletes who competed here over the years in saying:

"Thanks for a great job, Harry!"

## PAST CHAMPIONS

The list of past champions in the Relays is presented here. It will pique the memory of many a Relays fan, who will recall the splendid athletes of former years.

Dating back to the meet's inception in 1927, the list is not complete in regard to times and first names. Any additions or corrections will be gladly received.
