

Central Captures City Track Title

By LEN HOYES
Steady, methodical but with a few surprises.
That pretty well tells the story of Central High's march to the city Class A track championship Saturday at Dort Field.

phy from Southwestern. The Colts also scored in 13 events and had no trouble taking runner-up honors with 54.
An expected assault on meet records materialized despite no cooperation from the weather. The sun of early morning shifted to an afternoon chill of 57 degrees and a breeze tried to cripple the record-smashing. But rain kept away.
However, four records were broken, another equaled and another set in a new event. Central figured in four marks, Northwestern in two.
Central won seven events and

first but placed at least two men in seven of 12 individual events.
The records went to Northwestern's Dennis Logan, at 14.7 seconds in the high hurdles, teammate Mike Niergarth with 12-9 in the pole vault, Central's

er ran the other legs.
Central's Herb Washington equaled the meet record of 10 seconds in the 100.
WASHINGTON AND Logan entered the record book despite a headwind which prevented even better times.
Washington barely held off Northern's William Wallace in the century after the latter pushed the Tribe star to the limit before yielding in the 880-yard relay. Washington needed every ounce of strength and it cost a slight muscle injury.
Later the bad leg was to cost Washington the 220 when teammate Robert Patton came on in the last yards for a victory in 22.5 seconds. It was Washington's first defeat of the season.

Love with 1:58.4 in the 880 and the Tribe's Jim Morse with 9:52.5 in the two-mile, a new event.
Love also anchored Central's mile relay team to a meet record of 3:28.1. Marcus Vinson, Clevan Laster and Dean Munger

ONE-TWO — Jim Love of Central rounds the first curve in the 880-yard run Saturday at Dort Field with teammate Clevan Laster in close pursuit. They placed one-two with Love's 1:58.4 time clipping 1.8 seconds from the meet record.

PATTON'S TRIUMPH

wasn't the only surprise. Niergarth exceeded his previous best (12-6) to snatch the pole vault record from Northern's Gene Lee whose 12-6 also bettered the previous mark.

Northwestern's Al Holland was a surprising victor with a 4:36 mile, not because he wasn't good enough but because he had run it only once this spring. He prefers the 880 but probably couldn't have beaten Love who has beaten all rivals this spring.

Washington's defeat left Logan as the only individual double winner and the star of the afternoon. The little Wildcat senior might have had two records if the wind had stayed away. His 20.0 clocking in the lows was three-tenths of a second off the record.

CENTRAL OWED its victory to other men, too. Patton's early lead and Ken Johnson's good third leg helped in the 880-relay triumph — Clayton Turner also helped — and Munger and Laster ran surprisingly well in the mile relay.

Other individual champs were: Central high jumper Freels Bacon at 6-2 1/4; Northern shot putter Gordon Brown at 48-11 1/4; Northern's Wallace at 21-7 1/4 in the long jump; and Northern quartermiler Charles Montgomery at 52.1.

Southwestern's best finishes were six second places, including three by Laverne Miller in the high jump, long jump and low hurdles. He was the meet's top scorer with 12 1/2 points because he also ran on the third-place 880 relay team.

'CAT ON PROWL' — Northwestern's Dennis Logan skips over a hurdle en route to a meet record clocking of 14.7 seconds in the highs Saturday at Dort Field. The Wildcats' star also won the low hurdles to become the only double victor in the city Class A meet which Central won with 75 points. In the background is Northern's Jim Burkett who suffered a leg injury and failed to place.

TWO FOR TRIBE — Central's Herb Washington (white jersey wins the 100-yard dash (above) and teammate Robert Patton takes the 220 below) to account for two of their team's seven triumphs en route to the Class A city track title Saturday at Dort Field. Washington equaled the meet record of 10 seconds, narrowly beating Northern's William Wallace (right). Viking Milt Wallace (left) was third. Patton nipped Washington in a time of 22.5 seconds with Southwestern's Ed Watkins (background) taking fourth. Central had 75 points to Southwestern's 54. Northern had 43 and Northwestern 40.

Happiest Fishermen Are Found In the Manistee River Area

By KEN PETERSON
Journal Outdoor Editor
GRAYLING — Probably the happiest fisherman in this famous trout country Saturday, opening day of Michigan's general trout season, were those who fished the Manistee River a few miles west of here.

Many anglers fished the river despite the fact a 50-mile section was poisoned last fall to kill the parasitic Lamprey Eel that had decimated the trout population.

The Department of Conservation stocked the area last fall and this spring with several thousand fish but all of these were undersized. Realizing anglers would have pretty poor fishing, the department put in about 1,000 huge Brown and Rainbow trout. These were brood stock no longer needed for hatching purposes.

The fishermen had a ball. They took many fish that went from two to six pounds. Most of the fish they caught ran at least a foot or more in length. Some anglers also took fish that were somewhat over legal size, indicating that the trout placed in the stream last fall are beginning to reach the legal length of seven inches.

The Manistee was near normal, clear and cold. The main AuSable River and the North Branch of the AuSable were more heavily fished than was the Manistee. These two streams were slightly high and a little dirty. Fishermen on these streams were not so lucky, although they did take some nice fish. Most of the fish they caught were taken on wet flies and nymphs, fished deep.

The South Branch of the AuSable was about six inches high and quite dirty. Although some good fish were reported from this stream it was the least productive of those surveyed.

Weight Clinic Will Be Held At Ballenger

A free weight training clinic will be conducted by nationally-known Andy Douglas, of New Orleans, La., Thursday at Ballenger Field House. Starting time is 7:30 p.m.

Late Great Honored

DETROIT (AP) — A 17-acre playground on Detroit's near east side will be named in honor of the late Eddie Tolan, Detroit's track star of the 1930s. Tolan, who died Jan. 31, won the 100 and 200-meter gold medals in the Olympic Games in Los Angeles in 1932.

Ryun Anchors Record Relay Team

DES MOINES, Iowa (AP) — Fabulous Jim Ryun celebrated his 20th birthday Saturday, streaking to a 3:55.6 anchor mile which led Kansas to a world record in the distance medley relay in the closing session of the 58th Drake Relays.

The Kansas quartet was clocked in 9:33.8, shaving two-tenths of a second from the accepted world, American and National record of 9:34.0 set by UCLA in 1965.

his anchor mile in 54.1 to win by 100 yards over Georgetown's Bob Zieminski. Georgetown was disqualified for second because second runner left his lane.
