

# World '50' Mark Eludes Washington

Special to The Journal

MILWAUKEE — Flint Central's Herb Washington missed equaling the world record for the 50-yard dash by the margin of a photo finish Saturday night in the United States Track and Field Federation Championships at the Milwaukee Arena.

The decision in the photo finish was given to Charlie Greene, former University of Nebraska star and a member of the United States Olympic team.

Greene's time of 5.1 seconds tied the world indoor record set by Barney Ewell of Penn State in 1939.

Third was Stan Gay of Purdue and fourth was Western Michigan's Tom Randolph.

Washington won his semifinal heat in 5.2 seconds. He was the only high school student in the original field of 10.
