RESULTS OF 1967 MANSFIELD RELAYS

PUBLICITY

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Al Ward, Relays director or Fred Tharp, sports editor, Mansfield News Journal. Millions of inches of newspaper publicity has told the story of the Relays since its inception.

For the fifth time the Mansfield Relays will be run on Malabar High's 'magic' rubber asphalt track. The meet should mark the fifth time the meet record book will get a thorough going-over.

In past years, when the Relays was held on a cinder track, performances were not of real high caliber—which was not surprising since the meet kicks off the outdoor season and athletes supposedly have not reached the peak of their conditioning.

The springy rubber track, however, has changed all that. Records have fallen right and left. Eight were broken in 1964, nine in 1965, six in 1966 and four last year, despite a hurricane-like wind that wiped out possible records in both hurdles and the 100.

So, 27 marks have fallen in four meets at Malabar—certainly a tribute to the speedy track.

One other mark has already been set in the 1968 Relays. The meet is the first that HAS NOT been managed, supervised and babied along by venerable Harry Mehock, who founded the schoolboy extravaganza back in 1927.

Harry's longtime chief aide, Al Ward, has taken over the chores, but Mehock is sure to be around on meet day.

He'll be the fellow taking it easy—at last.

RELAYS STANDARDS

For years, the Mansfield Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards. This idea was presented to over 100 coaches, representing participating schools. The following standards are a composite of their replies.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.

Vaulters and Jumpers can warm up at lower heights, but this must be done before the time scheduled for the event to start. Rules — Rules set up by the Ohio High School Athletic Association shall apply to all rulings.

Out-of-State Schools must adhere to their regulations where there is a differential between the standards set up by Ohio High School Athletic Association.

Restrictions — Any boy who runs the 880 or the mile run cannot take part in more than one other track event. A boy cannot compete in more than three track events. Entry Fee — Fifty cents a boy or \$10.00 a team.

Deadline for Entries — April 5, 1968.

Only spikes not exceeding one-fourth inch may be worn on the asphalt surfaces. However, if the athlete desires to wear rubber indoor shoes that is his privilege. The athletes' shoes will be closely checked and if the spikes do not meet the requirements, they will not be able to use them.

Shot putters and discus throwers must wear rubber soled shoes due to the fact that the areas are cement.

DO NOT BRING STARTING BLOCKS. RELAYS WILL FURNISH THEM.

Eligibility — All boys participating in the meet must be certified eligible by their high school principals.

Heat Leaders — Please designate heat leaders in their respective events.

SEATING ARRANGEMENTS

For Coaches and Athletes

Additional bleachers are set up on north of field for athletes to relieve the congestion in the infield.

There is an area in the main bleacher section for coaches with access to the field. Slag walks are installed so the mud should be no factor in case of rain.

Also the pole vault pit, in use for the finals, will be at the end of the field to make for better viewing. (Foam rubber will be used in pole vault and high jump pits.)

Scores for events will be announced over the Public Address System.

OLD AND NOW — Al Ward (above) is the new director of the Mansfield Relays. Ward replaces Relays founder Harry Mehock as chieftain. Mehock directed the Relays for the first 36 editions. Ward served as assistant director for the past eight years. He also has replaced Mehock as track coach at Mansfield Senior High.

The Mansfield Relays committee is privileged to extend to your school a cordial invitation to compete in the 37th renewal of the Mansfield Relays which will be staged April 12 - 13, 1968. "America's largest independent inter-scholastic classic" will be staged at Malabar High School's new Mehock Field track.

This booklet contains general information concerning the 1968 Mansfield Relays, results of the 1967 meet, all-time records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The Relays committee believes the success of this meet is directly traceable to the fine schools and coaches who have appeared here each year.

The 1967 renewal drew 217 high schools from five states — Ohio, Michigan, Pennsylvania, Indiana, Kentucky, and Canada. Seventy-five of the schools were from outside Ohio. The field numbered 2,174 athletes.
