Welcome to the Fifth Annual Lansing State Journal - Spartan High School Relays.

The State Journal and Michigan State University have been pioneers in the development of Michigan interscholastic track so it is only fitting that they sponsor this meet, one of the largest High School meets in the nation.

For some of the athletes here this weekend, this will be the start of a long and happy affiliation with track...and may this meet inspire them to greater accomplishments in the future. GOOD LUCK TO EVERY COMPETITOR.
