The Southfield Senior High School Athletic Department cordially welcomes, as our guests, the schools of Oakland County, their coaches and athletes, and enthusiastic track fans.

The athletes have spent many hours getting ready for this meet and we are certain that their efforts will be the best as we reach the climax of the schools' athletic year.

The combined cooperation of men and officials from all schools makes it possible for this meet to be an exciting athletic event.

May the best team win.

Ed Bryant, Athletic Director
Southfield Senior High School

Versatility could best describe Mr. Dan Lutkus, athletic director at Hazel Park High School, because his 30-year career as a coach in interscholastic sports has covered practically all sports.

Ever since he first began to coach in 1938, the mild-mannered New Englander has coached golf, track, cross-country, swimming, football, basketball, and baseball; however, in 1945 he also took on the duties of athletic director at Hazel Park, and it wasn't until 1956 that he gave up coaching entirely and devoted his time to being an "AD".

Dan is a native of Nashua, New Hampshire, where he graduated from high school in 1931. He attended Ithaca College and Michigan State Normal College and received his degree in 1938. He later received his masters degree in 1960 from the University of Michigan.

In 1941 he became head basketball, baseball, and track coach at Hoover High School in Flint, Michigan. A year later he came to Hazel Park as head basketball coach, and three years later he was also named athletic director.

Coach Lutkus has been instrumental in many pioneering sports programs in Oakland County especially in the old Eastern Michigan League and now in the new Southeastern Michigan Association. He is admired by his students and his associates.

The highlight of his career came just recently when he was installed into the Michigan High School Coaches Hall of Fame in East Lansing at the finals of the Michigan State High School Basketball Tournament.

Today, Mr. Lutkus receives another tribute for his devotion to prep sports in Oakland County, as the 1968 Oakland County Track Meet is sincerely presented in his honor.

HISTORY OF ALL-OAKLAND COUNTY MEET

Eight years ago Monte Charles, former Athletic Director and Football Coach at Southfield High School, realized that the opportunity for track men to participate in big meets was limited. He discussed this problem with athletic directors and track coaches in this area and they enthusiastically endorsed the idea for a combined meet. Monte Charles provided the leadership in formulating the plans, securing sponsorship, and the Southfield High School track was selected as the site and 1960 as the year for the First Annual All Oakland County Track and Field Meet. Track coaches Kermit Ambrose (Birmingham Seaholm), Dean Wilson (Pontiac Central), Jack Boughton (Hazel Park), and Bud Carl (Ferndale) must also be credited with their contributions in making this event possible. The first three meets were held at Southfield, two at Ferndale, and three at Hazel Park. For this, the ninth meeting of the Oakland County schools, the meet has returned to Southfield.
