

Michigammes Have Depth

Although Francie Kraker is away training for the U.S. Olympic women's track team, the Michigammes are still a very good team. They demonstrated that in a cross country meet at Veterans Park.

The Michigammes won the multi-team meet by compiling a team score of just 7 points.

Carol Frederick, who just turned 14, paced the field for the Michigammes with a 5:40 clocking over the mile distance. Alice Steinicke of Ann Arbor was second in 5:43. Janie Schulte was fourth and Mary Fahlgren was fifth.

In the 12-13-year-old age group, Carol Schleede won the half-mile run at 2:35. Laura Stalmacher was 10th and Linda Prieskorn took 11th.
