SEATING ARRANGEMENTS

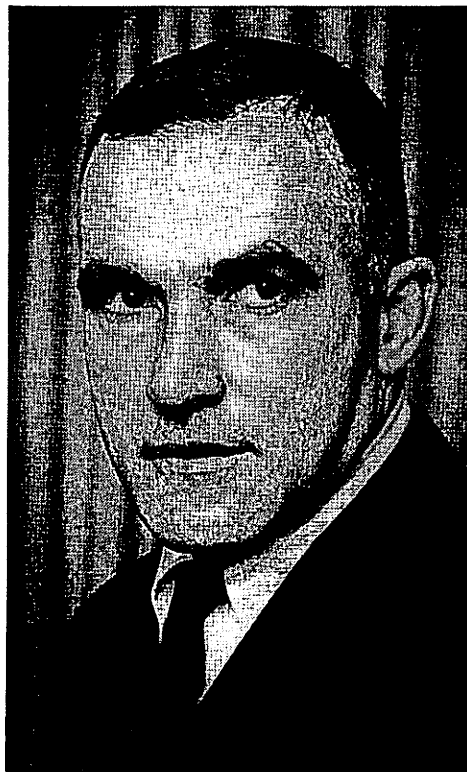

For Coaches and Athletes

Additional bleachers are set up on north of field for athletes to relieve the congestion in the infield.

There is an area in the main bleacher section for coaches with access to the field. Slag walks are installed so the mud should be no factor in case of rain.

Also the pole vault pit, in use for the finals, will be at the end of the field to make for better viewing. (Foam rubber will be used in pole vault and high jump pits.)

Scores for events will be announced over the Public Address System.

RELAYS CHIEF — Al Ward (above) is the director of the Mansfield Relays. Ward replaced Relays founder Harry Mehock as chieftain. Mehock directed the Relays for the first 36 editions. Ward served as assistant director for eight years. He also replaced Mehock as track coach at Mansfield Senior High.

★

The Mansfield Relays committee is privileged to extend to your school a cordial invitation to complete in the 38th renewal of the Mansfield Relays which will be staged April 11 - 12, 1969. "America's largest independent inter-scholastic classic" will be staged at Malabar High School's Mehock Field track.

This booklet contains general information concerning the 1969 Mansfield Relays, results of the 1968 meet, all-time records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The Relays committee believes the success of this meet is directly traceable to the fine schools and coaches who have appeared here each year.

The 1968 renewal drew 281 high schools from six states — Ohio, Michigan, Pennsylvania, Indiana, Kentucky, West Virginia, and Canada. One hundred thirty-one of the schools were from outside Ohio. The field numbered 2,456 athletes.

ELIGIBILITY AND RULES OF COMPETITION

Sanction — The Relays are sanctioned by the National Federation of High School Athletic Associations. Teams from out of state may participate if they are not more than 300 air miles from Mansfield one way.

Entry Fee — Fifty cents a boy or \$10.00 a team.

Deadline for Entries — April 4, 1969.

Lodging — Accomodation for teams coming 135 miles or more will be provided by private families. This includes Free Lodging Friday Night, April 11th and Breakfast Saturday Morning. These accommodations are also provided all four mile relay teams and 2-mile contestants. PLEASE STATE DEFINITELY THE NUMBER OF ATHLETES WHO WILL STAY OVERNIGHT. All we ask is a thank you note to your hosts when you return home.

New Track — We have a new all weather track composed of asphalt, rubber and sand. The track cost us \$60,000. It has ten 42 inch lanes all around the track. There are also two vaulting, high jump and long jump areas. The shot put and discus pads have a rough cement surface.

Only spikes not exceeding one-fourth inch may be worn on the asphalt surfaces. However, if the athlete desires to wear rubber indoor shoes that is his privilege. The athletes' shoes will be closely checked and if the spikes do not meet the requirements, they will not be able to use them.

Shot putters and discus throwers must wear rubber soled shoes due to the fact that the areas are cement.

**DO NOT BRING STARTING BLOCKS.
RELAYS WILL FURNISH THEM.**

Eligibility — All boys participating in the meet must be certified eligible by their high school principals.

Heat Leaders — Please designate heat leaders in their respective events.

Classification — There is no classification.

Points — Five places will count and the scoring will be as follows — 6-4-3-2-1.

A BROKEN RECORD?

By Bob Dixon

Maybe it's beginning to sound like a broken record, but the broken records at the Mansfield Relays are becoming commonplace. Anyone an athlete who sets a new mark here is lucky if it stays on the books a couple of years.

In last year's hotly-contested meet, no less than eight marks were shattered and one other tied. That ran the total to 35 cracked since the meet moved to Malabar High's speedy rubber-asphalt track. In every one of the five Relays staged on the track the athletes have been enthusiastic in their praise of the track. "It's like floating," they claim. Invariably boys will achieve times in the Relays that they never equal the rest of the season—despite the meet's early spot on the schedule.

The Mehock Field "boulevard" measures 35 feet across, accomodates 10 lanes, with two 275-yard straightaways.

Although the records are falling fast, it is a bit unlikely that anyone will shade the 9.4 hundred run by Flint (Mich.) Central's great Herb Washington last year. He also spun the 220 in 21.0 and both performances finally removed from the record list the name of Jesse Owens who had held his spots for 35 years.

But, then, lightning may strike in some other event.

PUBLICITY

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Al Ward, Relays director or Fred Tharp, sports editor, Mansfield News Journal. Millions of inches of newspaper publicity has told the story of the Relays since its inception.

PAST CHAMPIONS

The list of past champions in the Relays is presented here. It will pique the memory of many a Relays fan, who will recall the splendid athletes of former years.

Dating back to the meet's inception in 1927, the list is not complete in regard to times and first names. Any additions or corrections will be gladly received.
