Bulldogs Grab Seven Firsts in Runaway

Bentley Dominates Montrose Meet

By BRUCE JOHNS

What was intended to be a sneak preview of the County B League track season turned into a nightmare for six schools.

Although the league meet is still a month away, Bentley appeared to be in a class by itself Wednesday after its awesome showing in the fifth annual Montrose Relays.

Mert. Wallace's Bulldogs had seven first places in the 12 events while compiling 84 points. That total was only one and one-half shy of Fenton's record output in 1967. Last year's champion, Swartz Creek, had 62 points.

F R E S H MEN - dominated LakeVille finished a surprising second with 55 points, four better than host Montrose. Hamady was fourth with 34 followed by Bendle (24), Durand (16) and Atherton (7).

In the nine running events, Bentley had two second-place ribbons to go along with the seven winners.

Senior Ron Maygar was one of many key performers for the Bulldogs. He won the high jump in 5-10 and ran the opening leg of three relay victories.

THE HIGH JUMP found only three competitors quali-

fying with the event narrowing down to Maygar and Montrose's Bill Cornel.

Cornel cleared 5-8 on 'his first try while Maygar needed two cracks. But the Bentley ace easily cleared the 5-10 mark on his second attempt while Cornel failed in four trials.

Bentley's Jim Penney, the individual champ in last fall's County B cross - country meet, proved a strong finisher on the longer relays.

HE ANCHORED THE distance medley team and turned defeat into victory by

overhauling an opponet with 220 yards left. At that point, Penney went into the final leg a good 50 yards behind and still managed to breeze home 20 yards in front.

H a m a d y dominated the pole vault. The Hawks had three clearing the 10-foot mark and Don McMonagle would up taking all the marbles with a 12-foot clearing. Teammate Dan Gartland grabbed second with an 11-6 performance.

Randy Snyder gave Bentley a first in the long jump with a 19-9 leap while Bendle's

Mike Link topped the shot putters with a 43-5 heave.

LAKEVILLE'S RICH Averill, Rick Banyas, Stacey Husted and Dan Severn took the sprint medley with a 2:44.1 while Terry Schmidt replaced Husted in winning the mile relay with an impressive 3:53.4 time.

Aiding Bentley's strong relay teams were Mitch DeCamp, Dave Elkins, Dave Nagengast, Terry Princing, Dave Brockway, Mike Bargy, Carl Lacki, Tom Edwards, Dan Osman, Ted Moss and Harold Brock.
