PH Track Team Triumphs, Many Records Fall

Port Huron High claimed its first win over Hazel Park since 1963 Thursday in a record-smashing triangular track meet at Memorial Park.

The Big Reds scored 62 points, Hazel Park 55, and Port Huron Northern 31 in one of the finest track meets ever run in Port Huron.

The Big Reds set two track records and two school marks in winning their eighth straight meet. Mark Maxwell had a track and school record as he ran the mile in 4:31.3. His old school mark was set this year at 4:34.9. The old track record was held by Doug Monroe of North Branch at 4:32.5 set in 1967.

The Port Huron mile relay team chopped three-tenths of a second off the track record despite one poor handoff. The quartet of Mark Maxwell, Dave Giles, Jim Stanley and Tim Pinnex went the distance in 3:31.3 breaking the old mark set by Roseville in 1965.

Tim Pinnex broke his own 880-yard school record by two-tenths of a second in 1:59.6.

Port Huron Northern's Tom McAuley came up with his usual four firsts for the Huskies and in the process wiped out the seven-meet win streak of PH's Fred Whitican in the low hurdles.

McAuley turned in the best time this year at :20.2 seconds and Whitican's personal best time of :20.6 wasn't good enough.

McAuley also tied his own school record in the 100-yard dash at :9.9 seconds and won the long jump (20-feet-8) and pole vault (13-feet). His dash time tied the track record set by Ferndale's Dorie Reid in 1962.

Northern's Don McIntyre broke his own school record in the two-mile despite finishing third in 10:21.7. His old mark was 10:33.6.

Hazel Park's super two-miler Warren Kreuger shattered the track record in his specialty with a 9:49.5 clocking. The old mark was set last year by Mayville's Clare Kreger at 9:57.25.

Hazel Park's 880-yard relay team of Phil Prince, Jim Mars, Milt Gargus and Tom Kropinak also set a track record with the time of 1:32.1. The old mark was set by Roseville in 1964.

Nearly every winning time in the meet was a new high for the area with PH high jumper Larry Collins turning in a superb effort in clearing 6-feet-2 after just one week of practice.
