

Huron Takes Invitational

deficit in the stretch to nip Huron's Winters and Pioneer's Fetters in a time of 15.4.

In the most evenly matched race of the meet... the 100 yard dash... Mt. Morris' freshman, Roy Young, nipped Huron's George Russell and Pioneer's George Kennedy in the fine time of 10.1 seconds.

Kennedy and Russell each were clocked in 10.2 with Haslett's Smith taking fourth in a good 10.3 seconds.

Ross Woodstock, running what coach Sanford Herman called a "tactical" race, took the mile in 4:33.5 for Howell's other first place finish.

Freshman John Banfield also made a good showing as he took fourth in the open two mile.

Maurice Rees, Pioneer, took the shot put with a put of 50' but Howell's sophomore shot-putter, Steve Anderson, made one of his better puts to finish fifth with a heave of 45'1" and Paul Hildreth tied for fifth with Eaton Rapids' Joe Buchin in the high jump.

Howell also placed in the two mile relay (3rd), sprint medley relay (4th), 440 yard relay (5th), shuttle hurdles (4th) and 880 yard relay (3rd).

The only other county team among the nine schools was Pinckney which failed to score despite the determined efforts of distance man George Murray and sprinter Brad Emery.
