

# Montrose Girl Eyes Dash Record

Brenda Stoudamire hasn't wasted time gaining recognition in County B League girls' track.

The Montrose sophomore might earn a few points at varsity meets.

She's favored to break the 100-yard dash record of 12.2 when girls from the County B. and Metro Leagues and Big Nine Conference meet Saturday at Ainsworth.

Miss Stoudamire ran a 11.9 in the preliminaries which was her slowest time of the year. She also runs the anchor leg on the 440 relay.

Bendle's Shirley White could also crack the 440 record of 1:08 after a 1:05 timing in the preliminaries.

It's a tossup between Lakeville and Montrose in the County B League, Fenton and Swartz Creek in the Metro.

Flushing is the Big Nine favorite as every girl who ran in the prelims qualified.

## Ross' Clutch Hit Saves Birch Run

Bob Ross' third hit Thursday was a dandy for visiting Birch Run. It drove in two runs in the top of the eighth inning and gave the Panthers a 2-0 victory over Brown City.

Jerry Kline earned the decision with a six-hitter and nine strikeouts. He also had two hits as Birch Run's record climbed to 14-5.

Davison is defending Big Nine champion, Swartz Creek in County B with the ML running for the first year.

Not all schools will enter a team. Carman and Ainsworth complete the Metro, Davison, Kearsley and Mt. Morris the Big Nine and Bentley, Bendle and Atherton the County B.

The meet will begin with the field events starting at 9 a.m.
