Oscoda was a distant second with 21 points and Muskegon Catholic Central was third with 21.

Brother Act Stars In 'C' Meet

MOUNT PLEASANT (AP) — It took a big brotherly effort for Reading to win the State Class C high school track meet at Central Michigan University Saturday.

The school entered a team consisting of Steve Noland and brothers Ken, Ralph, and Tom Burger, but the four of them managed to pile up 44 points for a first-place finish.

Shepherd finished second with 38 points and Detroit East Catholic was third with 27.

Other Lansing area teams scoring were BTS with 19 1/2, good for sixth, and Central-Montcalm's 16, tied for eighth.

Bill White sparked the Shepherd performance with a pair of firsts in the high and low hurdles, and a fourth place finish in the shot put.

Other area runners scoring points were: Central Montcalm's mile relay team, third; BTS' 800 relay team, tied for fifth; and Olive's 800 quintet, seventh.

Ralph Burger won the 200 yard dash for Reading's only first place finish, but the four youths placed in a number of events, including a second in the 800-yard relay.

Class C defending champion DeWitt was never in the running and had to settle for a nine-way tie for 19th with eight points.

No new records were set in the meet. A strong tailwind eliminated the possibility of any records in sprint events, such as the 100 and 200.

Sophomore Bob Ufer led Yale's hockey team in scoring during the recent season with 17 goals and 10 assists for 27 points in 21 games.
