All four county schools were represented at the State Track and Field Meets held at four locations throughout the state this past weekend.

And all four managed to pick up points... with Free Soil picking up the most tallies and placing tenth in Class D, own school record for the third time in his career with a fine 30.9 effort.

The event was won by Paw Paw's Terry Richardson in the time of :49.8 while Stan Zech of Coloma finished second in :50.1.

McCullum finished just out of the money in the mile run but placed him sixth.

The field events found Kenny Budyanski Third.

The other county D school, Mason County Eastern, received a third place finish from Dick Budyanski in the 800-yard Champ. Budyanski, a senior, was

clocked in the time of 2:46.1, a new school record which breaks the old mark held by Bill Chis-lom.

LaSalle's two qualifiers, Bud Matthews and Tom McCullum turned in excellent performances with Matthews placing third in the 400-yard run.

He Holds The Record

Newaygo's Dennis Adama shows how it's done. The Senior leaper set a new state record in the high jump Saturday in the State Class C meet held at Mt. Pleasant. The jump broke his own Class C record of 6'5 set last year and also broke the Class A record of 6'8 held by Frets Bacon of Flint Central, set in 1967.

MT. PLEASANT—What would you do for an encore?

If you were head track coach of Newaygo after your boy jumped 6'8½ for a new state record... or coach of the Shelby Tiger's mile relay team following their record smashing time of 3:30.6.

Just think of the man calling the shots at Reading High School, defending state champ. This year only four boys qualify for state meet—and they still win it!

Staging casts like those, nobody needs an encore.

Reading brought five boys—four Burger Brothers—in 1969 and walked off with a track full of medals and trophies.

Saturday, here at Central Mich. University, only two Burgers arrived to make up 50 per cent of their squad. But the results were the same as Reading again grabbed top honors.

Dave Gimbalis Places Laan. It may be remembered that only last week these boys broke his 1969 state meet record won the WAC conference meet of 6'7". He went so high that in 3:30.8, official scorers were forced to climb on a bench to measure the new height of 6'8½."

Mason County Central's Dave Van Lovick, cleared 11'11½". Gimbalis tied for sixth place going 5'11".

In the 400, Shelby's Sophomore Rick Van Laan placed third in complete at the state contest 51.8 behind Shopp's Tom Doree and Chris Villades. Don Thompson, Roman Bolydreff and Gerry Hathaway.

It was the finale, the end, the season complete for Coach Bruce Mitter and team.

And a year not to be forgotten as they won the school's first mile relay—saw Van Laan and Bruce Mitter and team.

Reichardt's Grand Slam Beats Lolich, Tigers 6-4

By RICHARD L. SHOOP

DETROIT (UPI)—Rich Reichardt can explain his personal "big." Joe Tolstman can't be that's all.

Reichardt said he knew the Washington organization was after him the past couple of years and he even called manager Ted Williams on his own initiative during the winter.

run Sunday finished off a six-run second inning and enabled the Senators to slam the De-

home runs a year. I was supposed to be a superstar. Well, I'm just doing the best I can, that's all.

Reichardt said he knew the Washington organization was after him the past couple of years and he even called manager Ted Williams on his own initiative during the winter.

run Sunday finished off a six-run second inning and enabled the Senators to slam the De-

Singles by Ed Stroud and Paul Casanova, plus a sacrifice fly by Tim Lincecum, produced the first Senators' run in the game to understand the one he brought in the second.

Frank Howard walked to lead the bases and Reichardt pelled Lolich's first pitch to him into the right field seats, his sixth homer of the season.

It was a most and third career grand slam.
