Win In Davison Relays

STATE RECORD . . . The Bobcat distance medley relay team broke three records at the Davison Relays last week. First of all they broke the Davison Relay mark, the GB record and then the biggest of all - the state record of 10:30.9 held by Flint Central. Their time, 10:26.1 eclipsed 4:8 off the state record, 21.1 off the school record and 26.8 off the Davison Relay time set by Kearsley in 1969. Members of the record-setting team are (Kneeling L to R)  Lee Mammola and (Standing L to R)  Mike Pierce and  Scott Mitchell.
