

**Illinois Is Midwest HS Track Champion**

The State of Illinois has been crowned the Midwest Midwestern High School Track & Field champion of the 1970 season, according to the Illinois weekly publication called the "Prep Sports Special." The Illinois paper, which covers all aspects of high school athletics in the state, came to the conclusion after compiling winning times from eight midwestern state meets—and then slacking them against bests from the other state in a one-through-five point placing system.

Illinois came out the early winter with 61 points compared to 49 for runner-up Ohio. The runner-up and Kansas tied for third and fourth with 27½, while Iowa placed fifth with 24, Michigan sixth with 21½, Missouri seventh with 13 and Kentucky eighth with seven points.

At the time the article was put together Wisconsin and Minnesota had yet to hold state track, but neither was figured capable of placing higher than either Illinois or Ohio.

Illini claimed bests in seven of the fifteen events the device was figured in even though Indiana does not compete in that event. Indiana was second in its western neighbor in first places with three. Ohio had two with Michigan, Kansas and Iowa claimed one each.

Indiana's three winners were Gary Rosewater's Greg Leach in the low hurdles (1:57), Greenwood's Geoff Crail in the pole vault (157-7), and Gary Alms and Paul Gullett in the 200-yard dash (21.4). Crail's performance in the pole vault is the way to improve the best high school vault in the nation.

Vincennes Lincoln's state high jump champion Leon Martin tied for first with a jump of 6'4". Section Illinois' Clayton Sweet won that competition with a jump of 6'2".

Other exceptional times and distances were turned in by Lincoln's Illinois David Marshall in the 500 mile (8:58.8), Howard Jones, Evansville, Ill., in the 1000 yard dash (9:35), Indiana's Tom Stuck in the 100 (17.7), Belleville West's Illinois Tom Stuck in the 100 (17.7), Evansville's Illinois Tom Stuck in the 100 (17.7), and David Schopf's Wichita, Kan., tied third (17.8).

Many of the performers listed above competed in the third annual Golden Midwest Track meet sponsored at York High School in Elmhurst, Ill., as did Vincennes Leon Martin. Results of that meet can be found in the front page of today's sports section.
