HURON RELAYS

Huron Relays director Kermit Ambrose retired from coaching in 1967 after 21 years in Birmingham. He still teaches chemistry and physics at Seaholm High and is active in track circles in Michigan as an official. His record in both track and cross country is remarkable with one string of 76 consecutive league dual meet victories. A past president of MITCA, he now writes the Newsletter for that group.

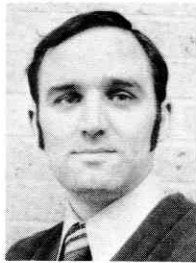

The Huron Relays observes its eighteenth year of exciting competition this year. Sanctioned by the Michigan High School Athletic Association and the National Federation of State High School Athletic Associations, this two-day meet draws the finest track and field athletes from Michigan and Ohio schools.
