And about that girls' track. The STA will run a regular girls schedule and there are even tentative plans for a league meet.

Also joining the movement to an expanded girls athletic program is the Eastern Michigan League.

This winter the EML operated at full tilt in girls volleyball. Next fall, tennis and badminton will be added and softball will become the girls' spring sport in 1973.

Looks like Women's Lib is making some concrete gains. Right on, sisters!
