

## FAST SPRINTING IN OHIO

Dayton, Ohio, May 20:-Some fantastic sprinting highlighted the 1972 version of the Miami Valley Invitational - but most of it occurred in the heats and semi-finals of the 100. In the heats, Mattline Render breezed to a 10.5 triumph and the same time was recorded by Alfreda Daniels in winning the second semi-final as Robyn Russell, Gladys Jermison, Orien Brown and Render all clocked 10.6s. However, when the fast group got together for the final, Orien Brown was the winner in 10.7 over Render and Russell who clocked the same time - and no one else was better than 11.1s.

Thirty four clubs with more than 600 athletes took part in this fine meet which saw, in addition to the sprinter, some fine quartermiling by Beth Warner (55.5) and a good two mile relay by the Canton TC (9:11.3). Laurie Tucholski set a new national record for the one mile walk at 7:50.4, the Detroit Striders 10/11 440 relay team took the national record in that event at 52.9 and Charlene Williams of the Detroit club equalled the national record in the 9/U 100.
