

# Oak Park 'A' Champ

FLINT — Sexton scored only 11 points less than champion Oak Park here Saturday in the Class A state track and field finals, but could finish no higher than a tie for ninth place.

Oak Park, bringing only a five-man delegation to the finals, accumulated 31 points in an exceedingly close meet decided by the final event, the 400 relay.

SEXTON SCORED 20, same as Detroit Redford. One of the Big Red's Seven-A League arch-rivals was a member of

teams placing ahead of them. Ann Arbor Pioneer was third, with 28 points.

The top performance, pointwise, by a local athlete was Des Francis' runner-up finish for Everett in the shot puts. The husky senior southpaw, who was third in the state last year, hurled 37.0. Champion Wayne Bouvier of Washington Eisenhower went 58.6½.

Sexton's best efforts were by sprinter Curt Long and miler Rick Goodman.

LONG, A junior, picked off third place in the 20, equalling his best time of the season in the finals, 22.1, and finished fifth in the century, clocking 10

Goodman recorded one of the finest miles ever run by a city trackman, 4:17.3, to capture fourth place. The city mile record is 4:18.3 by Dion Stewart of East Lansing. To count as a city mark, however, the effort must come in the city meet.

The mile winner, Dave Wood of Grand Rapids Union, ran 4:13.9 to miss a state record by

just seven-tenths. Second place Annis Brown, Detroit Northwestern, also was clocked in 4:13.9.

DORMAN PEARL made 6.4 to get seventh for Sexton in the high jump, won by Flint Northwestern's Chris Ferguson with a record 6.9 leap. The Big Red's Wayne Benson, Charlie Ford, Mike Brady and Long combined for 43.7 in the 400 relay to place eighth.

Other local entries scored. Including Ferguson's spectacular high jump, four Class A records were rewritten.

NAT DURHAM of Farmington upped the standard for the pole vault to 15.4, from the level of 14-6½, where it had rested since 1967.

Nick Ellis, Detroit Cooley star, knocked over a record that had stood only one year, when he won the two-mile run handily in 4:14.8, six-tenths under standard set in '71.

A very fleet Detroit Pershing mile relay quartet laid claim to the other record, running 3:19.5, one second better than Ecorse did in 1969 in one and only year in Class A.
