# Two Joneses Win 6 Events

## Reggie Named Outstanding Athlete of Korf Meet

BY BILL AVVAZIAN  
News Staff Writer

One Jones added to another Jones would normally add up to two, right? Wrong! One Reggie Jones and one Jim Jones add up to six. That's six first places—three each—in the third annual Saginaw News sponsored Herb Korf Saginaw County Invitational Track Meet held at Saginaw High Tuesday night.

It was a perfect night for running, warm temperature and no appreciable wind. But, there was only an estimated crowd of 500 on hand to witness the event.

Saginaw High's Reggie Jones, the state Class A champion in the 100 and 220, did his stuff in both events to carry home winning trophies. He tied Gary Peaphon's record in the 100 at 10.0 seconds and topped Peaphon's 220 mark of 22.4 with a mark of 22.2 seconds.

The Trojans Jones also anchored Saginaw High's record-setting win in the 880 relays. He and Larry Foster, Cal O'Neal and Mike Thomas turned in a 1:32.0 mark to wipe out Bridgeport's record of 1:33.5.

For his efforts, Reggie Jones was named the outstanding athlete of the meet by the Korf Games Committee. He had to beat out Arthur Hill's Jim Jones, who placed second in the balloting.

The Hillites' Jones also had quite a night for himself. He took the high jump and long jump in the field events and came back to win the 880 and anchor the Lumberjacks' third place finish in the mile relay.

Jones went 6-0 to win the high jump and 20-9 to take the long jump. Neither was a record, but good enough to top this season's county athletes. Jones also won the 880 at two minutes flat in a good race that saw him come from third to win on the

last half of the second lap.

Seven records in all were broken in the third running of the Korf Invitational and another was tied. Reggie Jones tied the 100 mark, set the 220 standard and anchored the 880 relay record win for the Trojans.

Other record-setting performances were turned in by O'Neal in the shot put at 55-7 1/2, topping the old mark of 52-3 1/2 by Tom Radewahn of MacArthur. In the pole vault, Jack Brechtelsbauer of Arthur Hill cleared 13-2 1/2 and just missed 13-6. His winning effort erases the old record of 12-3 by Freeland's John Sanford.

SS. Peter & Paul's Dave Garcia, Lee Koski, Bob Gerhardt and mile run winner Frank Martin combined to set a record in the mile relay at 3:30.3. The Crusaders owned the old mark of 3:31.1. The mile relay was one the closest race of the night. Martin came from behind just at the tape to take a win away from MacArthur and anchor runner Marc Di Mercurio.

Mike Arnold turned in a 50.6 mark in the 440 to wipe out the existing record of 51.5 by John Rolf of Arthur Hill. The last record was turned in by SS. Peter & Paul's George Bugenske in the 120-yard high hurdles at 15.3, just topping the old mark of 15.4 by Saginaw High's Ken McKinnon.

Saginaw High's 440 relay team of Foster, Thomas, O'Neal and Richard Stevenson automatically set a record since it was the first year for that event.

O'Neal won the shot put, placed third in the 100 and had a hand in the 880 and 440 relay records. Foster and Thomas also were in on the two relay records. Foster was third in the long jump and fourth in the 220. Thomas was third in the 220.

Dean Carter of MacArthur was first in the low hurdles and second in the highs,

while Bugenske was first in the highs and second in the lows. Frank Martin won the mile and led the record in the mile relay.

Dean Somerfield of Carrollton, one of the state's top performers in Class B, did not compete because of a pulled leg muscle incurred at the state meet last

Saturday. He qualified to compete in the long jump, 100, 220 and low hurdles.

Proceeds from this meet will be added to the Korf scholarship fund. A scholarship will be awarded to an athlete attending college in the fall. It will be named at a later date.

## Seagren, Isaksson Soar

EL PASO, Tex. (AP) — Bob Seagren woke up Tuesday with no idea he would become a coworld record holder in a few hours.

After he and Sweden's Kjell Isaksson each set a new world pole vault record of 18 feet, 4 1/4 inches here, Seagren said his mother had read him a newspaper article

about the special pole vault meet sponsored by the Border AAU organization.

The article quoted University of Texas-El Paso coach Wayne Vandenberg as saying the competition was organized Sunday.

"I didn't really believe it, but I had to check to make sure," Seagren said
