

# LHS Harriers Trip Vikings

The Ludington Orioles have yet to 'win' a race. In four cross country meets this year, the opponent has finished first in every race.

But it takes five runners to win the meet and the Orioles usually have a herd on the heels of the winning individual.

That's the way it worked again Monday afternoon as the Orioles defeated Cadillac 20-42 in their first race on the new course which runs through the school forest.

Dan Stojic was first, setting a record of 17:17 for the three mile distance. Ludington took the next six spots. Tom Breeding was the first Oriole across in 17:24. He was followed by Bob Budreau, Bob Lewis, Roger Enos, Dan Gomez and Paul Cunningham. Jeff Larson finished ninth overall.

Next on the agenda for Ludington is a dual match with Seaway Conference foe Orchard View which has one of the top individuals in the league in Robinson.

The O's and Cards tangle on Thursday at 4:15 p.m.
