## Davey Rips 2-Mile Record

By DAVE MATTHEWS Staff Writer

Athletic excellence is a tradition in the Birmingham household of Chuck Davey, and young son Pat Davey intends to live up to his heritage.

If the 16-year-old Birming-ham Brother Rice junior con-tinues at his present pace, in fact, he'll do more than honor the tradition — he'll establish a chapter all his own.

YOUNG DAVEY wrote a spectacular story Saturday night, in the Class A section of The State Journal-Spartan Relays at Jenison Fieldhouse.

He brought the crowd of approximately 3,000 to its feet with one of the most superlative two-mile efforts in the history of high school track—not just Michigan, but anywhere.

as a professional. He is now the state's commissioner of boxing, and was in the crowd Saturday to witness his son's great run.

Davey's effort was one of three record-breakers emong the first four events contested.

DEFENDING MEET and

DEFENDING MEET and state champion shotputter Wayne Bouvier of Washington Eisenhower started the brief record spree by shattering the old mark in his specialty with a heave of 59-434.

Not long afterwards, Ann Arbor Huron stepped into the spotlight by charging to victory in the two-mile relay in eight minutes flat, thanks to a sizzling 1:55-plus anchor leg by versatile Don Hubbard.

The standard Huron lowere had been set only last year by its arch-rival, Ann Arbor Pioneer, which did 8:01.6.

AT THE other end of the

oneer, which did 8:01.6.

Davey stopped the clock in 9:08.1, almost 11 seconds under the previous meet records at last year by Nick Ellis, and more than six seconds better than the state outdoor mark.

THE TIME was reportedly the 15th best prep two-mile ever run, indoors or out, and Davey was rewarded for his feat by being named the meet's outstanding athlete.

His father Chuck Davey is a former boxing star, both as an amateur in his undergraduate days at Michigan State, later

weeks.

Jones went on to win in 6.3 seconds, the same time credited to both the second and third place finishers. No one has ever run faster in this meet but world record holder Herb Washington.

meet but world record holder Herb Washington.
Hurdler Bob Cornwell of Mt. Clemens put his team in command of the battle for the first place trophy with outstanding successes in both the high and low sticks.

In each event, Cornwell missed the meet record by just a tenth of a second with times of 8.5 seconds in the highs, 8.0 in the lows.

Mt. Clemens tallied a very strong 28 team points in its runaway victory, and Cornwell accounted for 12 of them. It was the second highest winning total in the history of the Class A meet, exceeded only by Flint Southwestern's remarkable 39-point accumulation in 1966.

Mt. Clemens' triumph was not a surryise. It came into the

Mt. Clemens' triumph was not a surprise. It came into the meet a slight favorite after scor-ing an easy victory in a simi-lar relay meet entertained by Eastern Michigan last week-end

Pontiac Central was second, 11 points off the pace. The only points were

chalked up by Sexton, Harry Hill and East Lansing.

The Big Reds, whose scoring potential was severely damaged by Long's injury, tallied 3½ points on vaulter Mark Fineout's 12-6 leap into a tie for second place.

Harry Hill picked up a pair of points when the swift shut-tle hurdle relay combination of Don Creagh, Clarence Hassel, Ron Green and John Stall-worth captured fourth place. Miler Ken Leinbach supplied

onds off the winning pace.

As had been the case one night earlier in the Class B-C section of The State Journal Relays, very nearly half the teams in the starting field got into the scoring column.

A total of 103 schools, an all-time high, showed up for the start of Saturday's action, and when the final race had been run, 43 of the 103 had scored at least a single point.
