### Cooley Wins Title In Track

**BY HAL SCHRAM**  
Free Press Staff Writer

Who was the most valuable performer in Wednesday's Public School League track festival?

The answer was obvious: Cooley's Randy Williams.

"He got my vote hand down," said Roy Allen, North's women's athletic director and co-director of the meet at White Star's field.

Williams swept both hurdles, won the high jump at 4 feet 6 and placed third in the 200 to beat the Cardinals in their first league title in 20 years.

Williams gave his team 36 points. Cooley won the meet with 33 points as 12 for runners-up.

"I think he would have broken Felix Roger's record of 4-foot 6 in the high jump but he sacrificed a shot at the record to accept his bid for a high jump in the 200 to help his team," said Allen. "That has to show you what sort of a kid he is."

THE DAY'S other top performance was turned in by James Thomas of Mackenzie in the half mile. Running over a track a low 4 by rain, Thomas won the 800 at 1:57.1.

The fastest half mile run with the fastest half mile run with year by a Michigan schoolboy.

"Think what he would have done on one of those all-weather tracks," said coach Stan Mullin.

Thomas finished second in the mile in the state meet two weeks ago and could have won the mile Wednesday handily, but Mullin wanted to prove to a few college coaches who were scouting the meet that Thomas is good at any distance from the 100 yard to the mile.

Jeff Hill of Northern won both the 100 and 200. He won the century in a photo finish with Jim Huxtable of East Tech and Jim Taylor of Oak.

Art Little brought Cooley its only other first when he won the long jump with a leap of 22 1/2 feet from the 48 to the end.

**500-YD. RACE**—1. James Thomas, Mackenzie, 1:57.1; 2. James Thomas, Mackenzie, 1:57.1; 3. James Thomas, Mackenzie, 1:57.1; 4. James Thomas, Mackenzie, 1:57.1.
