## PUBLICITY

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Al Ward, Relays director, or Fred Tharp, sports editor, Mansfield News Journal. Millions of inches of newspaper publicity have told the story of the Relays since its inception.

## PAST CHAMPIONS

The list of past champions in the Relays is presented here. It will pique the memory of many a Relays fan, who will recall the splendid athletes of former years.

Dating back to the meet's inception in 1927, the list is not complete in regard to times and first names. Any additions or corrections will be gladly received.
