57.4

Many girls on the team improved over their previous performances. I think everyone ran well against the large field of girls that competed in this meet. Coldwater only recieved 15½ points. these points were made by: Lisa - 1st in the 440 Ruth - 4th in the 880 Vicki - 6th in the 100 Vicki - 6th in the 220

This was the toughest competition the Cards have run against so far this season.
