

Mason Adds Track Trophy

HOWELL—Mason added another trophy to its 1974 track showcase here Tuesday as the Bulldogs dethroned Haslett as the king of the Capitol Circuit in a league meet which saw six league records either tied or broken.

Mason captured six firsts and placed in all but two events to run up 61 team points. Holt finished second with 50, while Haslett had 48.

BRUCE HOWE led the Mason team, taking two firsts and leading off the victorious Bulldog 880-yard relay team. Howe set a league record by running the 100 in 10.0 seconds and then ran the 220 in 22.6, a figure which also could be called a league record. The league mark was set on a straight away track, while Howe ran his on a curve.

Howe teamed with Dick Cowles, Lee Larner and Steve Young to win the 880 in the league record time of 1:30.9.

Young set an individual record himself. After winning the regional 440 title in 49.0, Mason fans wondered what Young could do for an encore. He found a way. Young ran

the 440 Tuesday in a league record 48.7 seconds, a figure which also would be a state record had it come in a state meet. Young will have that to shoot for Saturday.

RANDY FOSS established another Capitol Circuit mark when he hurled the shot 57-foot-6 inches.

Haslett's Steve Wren was the only other double winner in the meet. Wren captured the pole vault and the high hurdles.
