5. **MEALS—SCHOOLS ARE RESPONSIBLE FOR THEIR OWN MEALS AND LODGING.** Meals may be obtained at the Union Cafeteria or any of the East Lansing restaurants.
6. **DRAWINGS**—Heat leaders will be placed according to the records made in the Regional Meets. Drawing for lanes in the dashes and hurdles will be made previous to the start of the meet. Positions in the distance races will be drawn at the start of the race. **THERE WILL BE NO COACHES' MEETINGS.**  
Bull Pen located at south end of field. All athletes entered in heats of 440 yard dash, 880 yard run, one mile run, 2 mile and all relays, report for assignment upon 1st call of your event.
7. **HEAT QUALIFIERS**—Selection of qualifiers to the Semi-Finals and/or Finals of the Dashes and Hurdles will be by finish places in preliminary heats rather than by times.
8. **WEIGHT MEN**—Have your shot checked for weight and size at the shot put ring.
9. **TRAINING**—Trainers will be available on the field during the meet.
10. **Coaches and Trainers must stay in the stands during the meet. Contestants must keep out of the infield area unless actually competing in the field events.**
11. **TIME SCHEDULE**—Events will be run according to the schedule on Front Page of this program. There will be no calls made, **SO BE READY.** Be warmed up and ready to go on scheduled time. Dash and hurdle men can warm up on the East Straightaway.
12. **TRACK EVENTS**—All track events of 440 yards or more will be run from the start of the curve. The 220 Yard dash will be started with staggered starts on the curve and be run through one full straightaway.
13. **RELAY EVENTS**—Both relays will be run around the track. In the 880 relay the first and second 220 leg are to be run in lanes from staggered starts. The number three runner will receive the baton from the number two runner in the same lane in which one and two ran; thereafter, "At each station, each competitor shall line up in the same relative position as that for his teammate who starts the race but there may be movement to a position best suited to meeting the passer of the baton. Each passer will keep a straight course to the exchange zone and the burden of responsibility for taking the position which corresponds to that to which the passer is entitled is on the receiver. This permits a team which has a distance lead throughout the race to make all exchanges in the pole position."  
The One Mile Relay is to be run from staggered starts in lanes for the first one-quarter mile; Thereafter, lanes are to be disregarded and the baton exchange is to be made in accordance with the above quotation. 440 Yard Relay staggered starts run in lanes all the way.
14. **SCORING**—Individual Events—First 8; Second 7; Third 6; Fourth 5; Fifth 4; Sixth 3; Seventh 2; Eighth 1. Relays—First 10; Second 9; Third 8; Fourth 7; Fifth 6; Sixth 5; Seventh 4; Eighth 3; Ninth 2; Tenth 1.
