Bunn Wins 'C' Mile; Schaller Tops In 'D' High Jump Furst Too Much...But Not Quite Enough

BY JIM LAND

Furst established two all-time records while securing a double victory in the 800 and 400-yard runs on Michigan State University's last Tartan-surface track and came back to anchor the Bobcats' mile relay team to second place.

Harvard triple Steve Bunn and Bridgman high jumper Mike Schaller joined Furst in winning individual championships in the Class C and D meets, but the remainder of the state's qualifiers came up empty-handed.

Furst had the smallest contingent of relay teams with a chance for the title... and the team he led the best relay for the year.

400-Yard conference rival Dave Hall of Waterbury finished second at 1:11.1.
